

2VDC OPZV Gel Battery-GFMJ Series

What is gfmj (OPzV) series tubular gel battery?

The GFMJ (OPzV) series tubular gel battery is the product developed by SHOTO through the international advanced gel technology with outstanding performance and has been widely used in the world.

What is gfmj battery?

With tubular plate, corrosion-resistant alloy materials, special gel electrolyte, micro-pore PVC-SiO₂ separator and advanced heat-sealing technology, GFMJ series battery devotes itself to provide more stable and reliable backup power for communication, energy storage and electrical systems.

What is gfmj OPzV?

The GFMJ (OPzV) series tubular gel battery is the product developed by SHOTO through the international advanced gel technology with outstanding performance and has been widely used in the world.

What is a gel OPzV battery?

Gel OPzV batteries provide superior float and cycle performance, with up to 20-year design life in renewable and stationary applications. The batteries feature impact-resistant ABS cases and sliding terminal poles to prevent long-term damage. Gel OPzV batteries are valve regulated, maintenance-free, and provide the lowest total cost of ownership.

GFMJ ABS Battery case material OPZV Free maintenance Battery KEY FEATURES * The Battery is OPZV Tubular GEL battery. * The electrolyte is in the gel state. Primary material adopts Germany gas silicon dioxide. * The tubular positive plate and pasted negative plate is applied. * ABS Battery case material. * Adopt special micro-pore PVC-SiO₂ separator. * Copper core ...

Bulkbuy Gfmj 2VDC 250ah ABS Battery Case Material Opzv Free Maintenance Battery price comparison, get China Gfmj 2VDC 250ah ABS Battery Case Material Opzv Free Maintenance Battery price comparison from Battery, Opzv Battery manufacturers & suppliers on Video Channel of Made-in-China.

Tubular plate & special gel electrolyte, which can prevent active material falling and avoid High stability and security, millions of batteries are in service ...
