We offer trusted insurance products and investment solutions to Canadian residents and organizations. Get secure access to your employee benefits, health claims and group savings plans. Or, connect with a Sun Life advisor to get life or health insurance, set up a savings plan, open an RRSP and TFSA and more.

The solar cycle is a natural cycle the Sun goes through as it transitions between low and high magnetic activity. Roughly every 11 years, at the height of the solar cycle, the Sun's magnetic poles flip -- on Earth, that'd be like the North and South poles swapping places every decade -- and the Sun transitions from being calm to an active and stormy state.
