

Telecom Battery Aokly Group

Who is aokly battery manufacturer?

TÜV Rheinland Serial NO. Aokly Group established in 1996,Guangdong Aokly Group Co.,Ltd.is a leading lead-acid battery manufacturer and supplier in China,integrating research and development,production and sales,as well as a high-tech enterprise in Guangdong Province. With an area of 500acres,13million kVA production capacity.

Who is aokly group?

Aokly Group established in 1996,Guangdong Aokly Group Co.,Ltd. is a leading lead-acid battery manufacturer and supplier in China,integrating research and development,production and sales,as well as a high-tech enterprise in Guangdong Province. With an area of 500acres,13million kVA production capacity.

What battery products does aokly offer?

With advanced production equipment and testing instruments imported from Italy, Aokly offers a wide range of battery products, including lithium battery, starting lead-acid battery, motive-power battery, storage battery, solar battery, gel battery, etc.

Who is Guangdong aokly group?

Established in 1996,Guangdong Aokly Group Co.,Ltd. is a leading lead-acid battery manufacturer and supplier in China,integrating research and development,production and sales,as well as a high-tech enterprise in Guangdong Province.

What are aokly batteries used for?

Aokly products are certified by the UN and CE, ISO9001, TS16949, ISO14001, RoHS and IEC60095 testing, widely used in Automobile, Electric vehicle, Tourist car, MarineEquipment, Aviation, Military, Railway, UPS, Telecom, Electric Power System, Solar Power System, Wind Power System, etc. Batteries have good reputation in domestic and foreign markets.

What products does aokly offer?

With advanced production equipment and testing instruments imported from Italy, Aokly offers a wide range of battery products, including lithium battery , starting lead-acid battery, motive-power battery, storage battery, solar battery, gel battery, etc. Aokly provides multi-domain integrated solutions to customers around the world.
